

CONFIDENTIAL DISCLOSURE AGREEMENT

This agreement is made this day of _____, by and between _____, hereinafter called Inventor, and _____, hereinafter called Manufacturer.

Whereas, Inventor has invented _____ for which a patent application (has been) (will be) filed;

Whereas, Manufacturer wishes to evaluate said invention in order to determine the feasibility of making, using, or selling said invention;

Therefore, in consideration for Inventor's disclosure, Manufacturer agrees not to disclose said invention to any third party without Inventor's express written consent, and Manufacturer agrees not to make, use, or sell said invention without express written consent of, and payment of royalties to, Inventor.

This agreement shall remain in effect until a U.S. patent is granted to Inventor on said invention, or until said patent application is given a final rejection by the U.S. Patent and Trademark Office and the time for appeal has expired. The parties agree that remedies for breach of this agreement shall be the same as would be available for patent infringement if a patent were already in effect.
